

Dover Business College ID Management Suite

Setting Up Your Account

Dover Business College has implemented a security solution to help you manage your Active Directory account without having to contact the Helpdesk. Your Active Directory account is used to access systems such as Blackboard and Self-Service.

Using security questions that you setup in advance, you can reset your login credentials even if you've misplaced the password. In order to do so follow the steps below:

1. Click on **Forgot Your Password?**

Login Here

[A Change Text Size](#) | [High Contrast Setting](#)

Have an account? Enter login information here and click the Login button below. If you are having problems, please click on the 'Need Help? Click here' link in the top right hand corner. Thank you.

Username:

Password:
